

PRODUCT COMPARISONS		MATCHA COLLAGEN	MORNING GET UP & GLOW™	COLLAGEN COFFEE	COLLAGEN SMOOTHIE MIX ENERGY																																																																																																																																							
NEED + BENEFIT	WHAT IS IT?	An alternative to coffee that still offers caffeine and the benefits of collagen	An orange-flavored collagen powder with caffeine, vitamin C, biotin, hyaluronic acid and probiotics that you can add to water.	A mix of grass-fed collagen, crystallized coffee and high-quality adaptogens, with less caffeine than a standard cup of coffee.	A one-stop green smoothie with collagen that I can easily add to my daily wellness routine.																																																																																																																																							
	BENEFITS	<ul style="list-style-type: none"> Natural Energy Boost* Skin, Hair & Nail Support** Healthy Joints & Bones** 	<ul style="list-style-type: none"> Natural Energy Boost* Promotes Glowing Skin** Supports Gut Health** 	<ul style="list-style-type: none"> Natural Energy Boost** Supports Immune system** Healthy Joints & Bones** 	<ul style="list-style-type: none"> Natural Energy Boost** Skin, Hair & Nail Support** Healthy Joints & Bones**

INGREDIENTS	Bovine Hide Collagen Peptides, Matcha, Coconut Water Powder	Bovine Collagen Peptides, natural orange flavor with other natural flavors, organic peach powder (fruit), Himalayan pink sea salt, malic acid, citric acid, monk fruit extract	Collagen Peptides (from bovine), Chaga mushroom (Inonotus obliquus) powder (mycelium and extracellular compounds), Lion's Mane (Hericium erinaceus) mushroom powder (mycelium and fruiting body), Cordyceps (Cordyceps sinensis) mushroom powder (mycelium and fruiting body), Maca Root (Lepidium meyenii Walp) powder, crystallized coffee, natural flavors	Collagen Peptides (from bovine), AlphaSize®, Organic coconut milk powder, acacia fiber, pineapple juice powder, agave inulin, green tea (matcha), lemon juice powder, silica, natural flavor, barley grass (leaf), alfalfa (leaf), wheatgrass (leaf), aloe vera juice powder, cucumber powder (fruit), lime juice powder, monk fruit extract																																																																																																																																								
TRANSPARENCY	COLLAGEN PEPTIDE HYDROLYSIS PROCESSING	Hydrolyzed using purified water, proteolytic enzymes (nutrients that break down protein) and hot, pressurized air.																																																																																																																																										
	TESTING PRACTICES	We regularly and rigorously test our raw materials and finished products for microorganisms and heavy metals to ensure our products are in full compliance with the standards of Prop 65 and NSF International, an accredited, independent third-party certification body that certifies production facilities to verify they meet public health and safety standards. Vital Performance Protein is NSF Certified for Sport and Informed Sport Certified to ensure absence of banned substances and safety of ingredients for athletes competing.																																																																																																																																										
	MANUFACTURING INFORMATION	This product is manufactured in an NSF-certified facility that processes milk, eggs, fish, soy, peanuts, and tree nuts.
